

WILL YOU BE PART OF THE FUTURE SBS-EM CURRICULUM FOR MASTER STUDENTS?

CREDITED INTERNSHIP PROGRAM

Each year our Master students can opt for a **long term full time** internship in companies and public institutions. This option allows our students to spend **4 to 6 months** and contribute to real projects. This hands-on experience is increasingly being sought after by mature students. Should your company wish to rely on our excellent students, you may submit your project through our **Solvay Talents** recruitment platform.

Our Candidates: Master degree students, in following majors:

- Business Engineering
- Management Science
- Business Economics

Duration: One semester (minimum 16 weeks) up to 6 months (24weeks)

When: First academic semester (July/August/September to January) or second semester (February to June/July)

Where: Abroad or in Belgium

Credits: 25 ECTS for the student after receiving a successful final evaluation from the employer and supervisors.

How: Through an internship agreement, create your company account and post your offer on www.solvay.edu/talents

What SMS-EM expects from you?

- To provide students with challenging internship projects in existing teams
- To provide feedbacks and support to the students during the internship
- To participate in the students evaluation, and attend the internship final presentation
