

## Doctoral Fellowships

- Call: end of November-beginning of December → Website of FNRS: <http://www1.frs-fnrs.be/>
- 3 elements:
  - The CV
  - The project: a solid proposal of quality (well written, ask help to your advisor) showing its originality & feasibility, with a good literature review and explanation of data (for empirical proposal). Please think to write it by Xmas and corrections/modifications can be made in the following days/weeks. Don't do this 2 days before the deadline!!
  - The environment: advisor and centre of research
- The evaluation of the proposal is purely scientific
- Financing: 2 + 2 years

## Post-doctoral Fellowships

- Call: end of November-beginning of December → Website of FNRS: <http://www1.frs-fnrs.be/>
- 3 elements:
  - The CV: your record and letters of referees, your reputation!
  - The project: A crucial element of the application
  - The environment: quality of the centre of research
- Financing: 3 + 1 years
